

# DUMP *the* PUMP

Thursday,  
June 20

The Des Moines Area Regional Transit Authority (DART) challenges you to Ride for a Reason, instead of driving, on National Dump the Pump Day.

DART is a great alternative to commuting by car that will help you save money. In 2012, your co-workers, neighbors and friends saved money and rode DART more than 4.5 million times.

DART transit saves more than gas money; it also reduces wear and tear on your car and routine maintenance, insurance and parking costs.

**Dump the Pump on June 20, 2013, and Ride for a Reason. Ride DART Express Routes FREE.**

To help plan your trip call customer service at 515-283-8100 or visit [ridedart.com](http://ridedart.com).
