DART to donate three vans to local nonprofits

Applications due Nov. 22, 2019

Local nonprofit organizations, community groups or government agencies within DART's service area are invited to apply to receive one of three retired RideShare vans. The DART Commission created the annual van donation program in 2014 to assist agencies in providing transportation to those who may not have access to public transportation. Applications for this year's donation cycle are due on Friday, Nov. 22.

"DART's Van Donation program helps provide organizations that serve a diverse group of central lowans with a reliable means of transportation. We're looking forward to awarding three new, deserving organizations with these vehicles," shares DART Chief External Affairs Officer Amanda Wanke.

The application and guidelines are available on DART's [website](#). Interested parties must submit their application before 5 p.m. on Nov. 22.
